Sidewalk Trespassing

As the ownership of property on a street extends to the middle of the roadway, both sidewalk and the street are intended only as rights of way for the public, says Coller's. Thus the New York Supreme court has held that a man who stops on the sidewalk in front of another's house and shouts abusive and insulting language at him is a trespasser.

Modest Concession

"What's become of the old-fashioned girl who used to shy from wearing a one-piece bathing suit?"

"She has compromised by wearing two pieces—separated by her midriff."

Horses Not Born White

Horses are seldom white at birth. They may be born gray and as they grow older turn white. Circus horses are usually Arabian horses. Gray is common in this breed.

Speed of Antelopes

Antelopes have been known to attain a speed estimated at 60 miles an hour.
